

## BPU ENERGY STAR Rebate Program Frequently Asked Questions.

### How do I participate in the BPU ENERGY STAR Rebate Program?

Participation in the BPU ENERGY STAR Rebate Program is easy. Mail or bring in the receipt from the purchase of a new product, the completed rebate form and the energy guide that is provided by the retailer where you purchased the product. For windows, skylights and doors you must also provide the original NFRC labels. Extra copies of the rebate form are available at [www.jamestownbpu.com](http://www.jamestownbpu.com) and at BPU Customer Service.

### How will I receive the rebate?

Upon verification, home owners will receive the rebate in the form of a credit on their electric bills. For rental property owners, all rebates less than \$500 will be applied to their accounts. If the rebate exceeds the \$500 limit, the rental property owner can request a check for the rebate.

### What should I do with my old item?

Many retailers offer removal when you buy a new unit. You also may take it to the Chautauqua County Landfill (for disposal rates, call 985-4785).

### Is there a limit on how much I can claim on rebates?

The limit for BPU ENERGY STAR item rebates is \$1,000 per customer account per calendar year and \$5,000 per year for rental property owners. Exemptions are available for heat pump installations.

Using ENERGY STAR-qualified products is only one part of reducing your home's overall energy consumption.

For more information on how you can improve the energy efficiency of your home and lower your overall energy costs, visit the Jamestown BPU website, [www.jamestownbpu.com](http://www.jamestownbpu.com),

### Conditions of Offer

The BPU is not liable for and does not guarantee the performance of any product, the actions of any contractor who installs a product or energy savings associated with products. The customer is responsible for payment of all taxes associated with this program. The Jamestown BPU reserves the right to terminate or modify this program at anytime.

If you have any questions concerning the program, please contact:
