## **Backflow Prevention Device Exemption Renewal Form**

THIS FORM IS TO BE FILLED OUT BY THE PROPERTY OWNER

If an exemption from having to install a backflow prevention device is approved by this office, the property owner of that facility must complete and send us this form **each year**. It serves as an assurance by the property owner that **none** of the conditions of his or her building have changed since it was initially inspected and approved as non-hazardous to the Jamestown BPU public water system. Please submit this report to Terri Linamen at the Jamestown Board of Public Utilities Water Department by either mail or email.

By signing below, you are confirming that none of the conditions listed on the initial *Form for Backflow Prevention Device Exemption* have changed, and therefore, your facility can still be deemed non-hazardous and exempt from having to install a backflow prevention device. You are additionally agreeing that if the ownership of the property were to change, you will inform the new owner of their responsibility of completing and sending in this renewal form annually.
