SCHEDULE OF WATER RATES**ABANDONMENT OF WATER SERVICE:**

Abandoning water service requires the owner of the property to sign a letter of confirmation (i.e. “*Abandon Water Service Letter*”) concerning reconnection of water service and related fees. The BPU will physically disconnect water service by physically disconnecting the service from the water system. A physical service disconnection includes the physical removal of the water meter as well as possible physical disconnection from the water main such as removal of the lateral, curb box, or capping of the water line. Once a property has been physically disconnected from service, it will be treated as a new customer in the event that water service is desired at that property in the future.

UNPAID WATER CHARGES¹:

Unpaid water charges in excess of 60 days will be reported by November 1 of each year and subsequently placed on customer’s tax bills. The Town shall include the past due amounts on the tax bills to the property owners and shall pay the City the past due amounts within thirty (30) days of receipt thereof by the Town.

¹ *The Town agrees to reimburse the BPU for any reported individual water or sewer bills unpaid by any user within the Town for a period in excess of sixty (60) days after the due date of such bill as follows: By November 1 of each year, the BPU may report the unpaid bills to the Town on a list containing a description of the property served sufficient to identify it, the tax map number, the names of the persons or corporations liable to pay for the same, and the amounts chargeable. The Town shall include the past due amounts on the tax bills to the property owners and shall pay the BPU the past due amounts within thirty (30) days of receipt thereof by the Town.
